Report of the Rules Committee

General Consideration

Sri M. NAGAPPA.—Sir, I rise to a point of order. If you exercise your powers under Rule 27, and permit it, then it may be taken up by the Minister for Parliamentary Affairs.

Mr. SPEAKER.—Under Rule 27, I permit that item to be taken up.

Sri K. PUTTASWAMY.—Sir, I move :

“That Report of the Rules Committee be taken into consideration”

Mr. SPEAKER.—The question is :

“That the Report of the Rules Committee be taken into consideration.”

The motion was adopted.

Sri K. PUTTASWAMY.—Sir, I have already submitted that the Committee on Rules of Procedure and Conduct of Business has submitted its report to this House. I am glad to tell the House that some hon. Members have taken lot of interest and pains to go through the Committee's recommendations and suggested certain amendments. I take it that they have Contributed very valuable suggestions. Therefore when the hon. Member Siddaveerappa tabled the motion that the Rules of Procedure and Conduct of Business be referred to the same Committee for further consideration, I expressed my intention to accept his motion. I would like to add one word more. I know some Members have given a number of amendments. I am sure the Committee would like to benefit themselves by the presence of the hon. Members. At the appropriate stage, I would very gladly consider the question of inviting one or two members who have tabled a number of amendments. Therefore, in the light of what I have stated, the House would do well in referring back the Report of the Rules Committee to the very same Committee.

Sri H. SIDDAVEERAPPA.—Sir, I move :

“That the Rules of Procedure and Conduct of Business in the Legislative Assembly, as reported by the Rules Committee, be referred back to the same Committee for further consideration.”

Mr. SPEAKER.—The question is :
